On February 23, 2023, DISH Network Corporation (the “Corporation”) announced on its earnings call that the Corporation had experienced a network outage that affected internal servers and IT telephony. The Corporation immediately activated its incident response and business continuity plans designed to contain, assess and remediate the situation. The services of cyber-security experts and outside advisors were retained to assist in the evaluation of the situation. The Corporation has determined that the outage was due to a cyber-security incident and notified appropriate law enforcement authorities.

On February 27, 2023, the Corporation became aware that certain data was extracted from the Corporation’s IT systems as part of this incident. It is possible the investigation will reveal that the extracted data includes personal information. The measures described above are continuing while the Corporation, with the assistance of third-party experts and advisors, investigates the extent of the cyber-security incident.

The forensic investigation and assessment of the impact of this incident is ongoing. DISH, Sling and our wireless and data networks remain operational; however the Corporation’s internal communications, customer call centers and internet sites have been affected. The Corporation is actively engaged in restoring the affected systems and is making steady progress.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of within the meaning of the Private Securities Litigation Reform Act of 1995, the accuracy of which are necessarily subject to risks, uncertainties, and assumptions as to future events that may not prove to be accurate. These statements include, but are not limited to, express or implied forward-looking statements relating to the Corporation’s expectations regarding its ability to contain, assess and remediate the ransomware attack and the impact of the ransomware attack on the Corporation’s employees, customers, business, operations or financial results. These statements are neither promises nor guarantees, but are subject to a variety of risks and uncertainties, many of which are beyond the Corporation’s control, which could cause actual results to differ materially from those contemplated in these forward-looking statements. Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Factors that could cause actual results to differ materially from those expressed or implied include the ongoing assessment of the ransomware attack, legal, reputational and financial risks resulting from additional cyberattacks, including the ransomware attack, the effectiveness of business continuity plans during the ransomware attack, and the other factors discussed under the section entitled “Risk Factors” of the Corporation’s Annual Report on Form 10-K for the fiscal year ended December 31, 2022, filed with the Securities and Exchange Commission. The Corporation undertakes no obligation to update or supplement any forward-looking statement, whether as a result of new information, future developments or otherwise, except as required by law.
